

Hanger Fabrication Network Product Warranty

- Hanger Fabrication Network (HFN) warranties all fabricated products to be free from defects in materials and workmanship for 90 days. All components will be backed by manufacturer warranty according to their policies. Previously used components are not used in the definitive product fabrication process.
- Customer Service must be contacted prior to returning any devices for warranty consideration. Any products that have been altered will be reviewed prior to providing any credit or new devices.
- HFN will communicate on all returns if device will be repaired or credit should be applied under warranty policy and delivery time for replacement devices if required.
